

Crocs — HR Manager

Location: Tokyo

Work Style: Hybrid

At Crocs, Inc., every career offers a chance to make a real impact. No two journeys look the same—and that's exactly how we like it. Whether you're welcoming customers into our stores, collaborating with global teams at our headquarters, or keeping operations moving at our distribution centers, your impact is real and valued. At Crocs, Inc., you're not expected to fit a mold—you're encouraged to break it and create something better.

Overview

Reporting to the Director – HRBP (Singapore), the People Solutions Manager acts as a strategic HR partner, driving business results through employee relations, organizational development, and enterprise-wide initiatives. This role balances strategy with hands-on execution to enhance the employee experience and support business outcomes. The ideal candidate is a proactive, energetic leader who inspires teams and drives change.

What You'll Do

- Partner with people managers to align people strategies with business goals.
- Contribute to organizational design, workforce planning, and talent development.
- Manage complex employee relations cases and ensure HR legal compliance.
- Coach managers on team dynamics, performance management, and employee relations.
- Lead talent initiatives such as succession planning and leadership development.
- Collaborate with HR Business Partners and Centers of Excellence (COEs) to deliver integrated HR solutions.
- Analyze HR data to inform decision-making and program development.
- Support employees throughout the lifecycle, from onboarding to offboarding.
- Serve as a first point of contact for HR inquiries.
- Identify training needs and partner with COEs on development programs.

What You'll Bring to the Table

- Bachelor's degree in HR, Business, Psychology, or a related field.
- 10+ years of experience in HR or HR Business Partnering, ideally in a multinational environment.
- Strong interpersonal, problem-solving, and coaching skills.
- Ability to manage sensitive HR matters with discretion and confidentiality.
- Agile mindset with a balance of strategic thinking and hands-on execution.
- Proven success in a fast-paced environment with minimal supervision.
- Collaborative approach and commitment to continuous improvement.
